

EMERGENCY ASSISTANCE PLUS® (EA+®) NURSE ESCORT PLAN DESCRIPTION

How To Access EA+ Services 24 hours a day, 7 days a week, 365 days a year

Your EA+ identification card is your key to travel security. If you have a medical or travel problem, simply call EA+ for assistance. The EA+ toll-free and collect-call telephone numbers are printed on your ID card. You may either call the toll-free number while traveling within the U.S., or call EA+ collect when you are in another country.

An assistance coordinator will ask for the primary Member's name, group's name and a description of your situation. EA+ will immediately begin assisting you. A full listing of services follows.

If the condition is an emergency, you should call 911 or go immediately to the nearest physician or hospital without delay and then contact EA+.

This membership is a service agreement between you and EA+. Hospitalization is a requirement to be eligible for some services. All services must be arranged and provided by EA+. Services not arranged and provided by EA+ will not be considered under this membership.

EA+ provides you with Emergency Transportation Services, Medical Assistance Services and Travel & Security Assistance Services as described throughout. These services are subject to certain Rules and Regulations, as described hereunder. Washington state residents: Please refer to Eligibility for state-specific requirements.

"You" and "Your," as mentioned throughout this Plan Description, means Member with regard to Individual Membership and means Member, Spouse and Dependent(s) with regard to Family Membership.

EMERGENCY TRANSPORTATION SERVICES

The following services apply while you are Traveling Away From Home.

These services are available if you suffer an Injury or a sudden and unexpected illness, you are Hospitalized, and your medical condition requires these emergency services. In order for you to be eligible for these services, the services must be arranged and provided by EA+. Services not arranged and provided by EA+ will not be considered under this membership.

Emergency Medical Evacuation: If you are Traveling Away From Home and EA+ Physicians determine, after consultation with the local attending Physician, that transportation to a Hospital or medical facility is medically necessary to treat an unforeseen illness or Injury which is acute or life threatening and appropriate medical treatment is not available in the Hospital you are in, EA+ will arrange and provide, at no charge to you, transportation to the closest Hospital or medical facility capable of providing appropriate medical treatment.

Transportation After Stabilization:

To a Medical Facility for Your Continued Care: If EA+ Physicians determine, after consultation with the local attending Physician, that your condition has reached maximum medical improvement and it is medically necessary for you to return to your Home location for continued treatment of an unforeseen illness or Injury which is acute or life-threatening, EA+ will arrange and provide, at no charge to you, medically necessary transportation for you to the Hospital or medical facility near your Home, capable of providing the necessary treatment.

To Your Home to Recover: If EA+ Physicians determine, after consultation with the local attending Physician, that your condition has reached maximum medical improvement and it is medically necessary for you to return Home to recover from an unforeseen Illness or Injury which is acute or life-threatening, EA+ will arrange and provide, at no charge to you, transportation Home. EA+ will arrange and provide transportation via:

1. One-way economy transportation; or
2. One-way upgraded transportation:
 - a. If deemed medically necessary by EA+ Physicians based on your condition; or
 - b. If that's the manner in which you were originally scheduled to travel; and
3. A nurse or non-medical escort, based on your condition and as recommended by EA+ Physicians; and
4. Any medically necessary ground ambulance transportation to/from the airport.

Transportation to Join a Hospitalized Member: If you are alone, Traveling Away From Home and are Hospitalized and need to remain Hospitalized and it's determined by EA+ Physicians that you would benefit from a person of your choice to be with you while Hospitalized, EA+ will arrange and provide, at no charge to you, one round-trip economy airfare ticket to bring that person to your location.

Please Note: This service does not provide reimbursement for any expense incurred by you or your person of choice.

Return of Minor Children: If, while Traveling Away From Home, Dependents are present but left unattended as a result of your Injury or Illness, EA+ will send them back to either your or their own Home by arranging and providing, at no charge to you, one-way economy airfare (or upgraded airfare if that's the manner in which they were originally scheduled to travel). EA+ will also arrange and provide, at no charge to you, the services of a qualified escort, if recommended by EA+ Physicians.

Return of Deceased Remains: In the event of your death while Traveling Away From Home, EA+ will assist in obtaining the necessary clearances for the return of your remains. EA+ will arrange the preparation or cremation and provide transportation of your deceased remains to a funeral home near your Home, at no charge to you.

Return of Traveling Companion: If you are Traveling Away From Home and EA+ arranges and provides an Emergency Medical Evacuation or Transportation After Stabilization for you, EA+ will also arrange and provide, at no charge to you, a one-way airfare ticket for one of your Traveling Companions to accompany you in the same airfare class on your trip to your Home or medical facility near your Home.

If you are Traveling Away From Home and EA+ returns your deceased remains as outlined under the Return of Deceased Remains service, EA+ will also arrange and provide, at no charge to you, an economy airfare ticket (or upgraded ticket if that's the manner in which he/she was originally scheduled to travel) for your Traveling Companion to accompany your deceased remains to your Home.

Please Note:

- *All travel arrangements must be arranged and provided by EA+.*
- *If your Traveling Companion accompanies your deceased remains to your Home, which is different than your Traveling Companion's Home, the Return of Traveling Companion service will cease for that Traveling Companion upon arrival at your Home.*
- *If you are evacuated by air ambulance, EA+ will attempt to arrange a Traveling Companion to accompany you on the air ambulance, taking into consideration safety regulations and space limitations.*

RV/Vehicle Return: If you need assistance returning your RV/vehicle, EA+ will arrange and provide the return of your automobile, motorcycle, non-commercial truck or RV to your Home if:

1. EA+ arranged and provided an Emergency Medical Evacuation, Transportation After Stabilization or Repatriation of Deceased Remains service for you; or
2. You have not been transported under an Emergency Medical Evacuation, Transportation After Stabilization or Repatriation of Deceased Remains service but your documented Injury or Illness (which does not require Hospitalization) prevents you from driving the RV/vehicle.

EA+ will arrange and provide this service, at no charge to you, only if no one in your traveling party is capable of driving the RV/vehicle. The RV/vehicle must be in good condition and capable of being safely driven on the highway in compliance with local laws. If the vehicle is an RV, EA+ will also return an additional automobile if it was and continues to be hitched to your RV. Any costs required to maintain the safe operation of the vehicle(s) during the return will be charged to your credit card at the time of service.

Alternatively, you may choose to have your RV/vehicle returned by a friend or family member. EA+ will arrange and provide, at no charge to you, a one-way economy airfare ticket and reasonable ground transportation to either the location of the RV/vehicle or to return the friend or family member to his/her Home after the RV/vehicle has been returned to your Home. If you choose to have your RV/vehicle returned by a friend or family member, EA+ will enter into a service contract with that individual as a service provider.

In the event you qualify for RV/Vehicle Return by virtue of number two (2) above, please see the following:

- The request for the RV/Vehicle Return service must occur at the time of your Injury or Illness while you are Traveling Away From Home.
- If you choose to have a friend or family member return your RV/vehicle, you can choose to ride to your Home in your RV/vehicle if you are medically cleared to do so.
- If you choose to have a professional return your RV/vehicle, you will not be able to travel as a passenger in your RV/vehicle for liability reasons. EA+ will assist you with any transportation arrangements for you and a Traveling Companion. However, any costs associated with your transportation and your Traveling Companion's transportation are your responsibility.
- If you qualify for an RV/Vehicle Return under this scenario, you do not qualify for paid transportation under Emergency Medical Evacuation nor Transportation After Stabilization to your Home.

Please Note: You must inform EA+ that you need assistance returning your vehicle within 30 days of the incident and the return must take place within 90 days of the incident.
